

## Final Conference – Incuba Project

### *How to capitalize the experiences on incubation paths? Economical sustainability and future perspectives for business incubator*

**20 November 2020, h. 10.00-12.15 CET**  
**On line meeting, Zoom platform**

Starting from the sharing of the results obtained by main organizations and projects in the framework of Interreg Greece-Italy programme, but not only, the final conference CIHEAM Bari is organizing, intends to debate on focused topics built on three key words: Incubators sustainability, private funding to support them and their beneficiary, future perspectives.

Following a first opening focused on the results of the Interreg Greece-Italy project, INCUBA, the keynote speakers will discuss on sustainability and funding, trying to deeper address solutions and perspectives offered by private collaboration and support.

Finally, CIHEAM Bari will preslaunch the *network to capitalize our experiences* (agreement for collaboration) built among the above mentioned organizations and projects that agreed to become members.
